A Chicago Alderman Owes His Election to Chamberlain's Cough Remedy.

"I can heartily and conscientiously recommend Chamberlain's Cough Remedy for affections of the throat and lungs," says Hon. John Shenick, 220 So. Peorla St., Chicago. "Two years ago during a political campaign, I caught cold after being overheated, which irritated my throat and I was finally compelled to stop, as I could not speak aloud. In my extremity a friend advised me to use Chamberlain's Cough Remedy. I took two doses that afternoon and could not believe my senses when I found the next morning the inflammation had largely subsided. I took several doses that day, kept right on talking through the campaign, and I thank this medicine that I won my seat in the Council." This remedy is for sale by all leading

WHEAT OPENS STRONG, BUT SOON EASES OFF

Oats and Corn Market Hold Strong Through the Day's Trading.

CHICAGO, March 19.—The wheat market opened strong with prices of all options showing moderate gains. At the end of the first half hour however, the market showed signs of weakness. Pit traders and commission houses sold the July delivery freely and that option gradually eased off. The extremely favorable weather for fall sown wheat in the southwest caused the bulk of sales. It was reported from Kansas City that thera is now a prospect of a record-breaking crop this year. As the session advanced the July option continued to decline until the price was alt most 1 cent below the closing quotation of Saturday. At the same time, however, May held steady on a fairly active demand by commission houses. May closed unchanged.

The corn market was strong throughout the day on active covering by shorts and on active huying by commission houses and cash interests. Oats were in active demand by shorts and the market was firm all day.

Notwithstanding a 5 to 10 cent decline in the price of nive hogs, the provisions market was firm and trading active. There was a strong investment demand and the local packers were liberal purchasers of lard and ribs. At the close May pork was up 17½, lard was 20 cents higher and ribs advanced 15 cents.

It is totally different from the many sickening pills and tablets, and the stimulating, stomach-ruining drugs given by would-be specialists. My specific treatment for all the symptoms indicating Failing Manhood is harmiess, though so effective as to remove them immediately. It is constitutional, therefore, by purifying and enriching the blood, strengthening the nervous system, nourishing the tissuns, the patient becomes strong and healthy with all signs of trouble forever gone. The treatment is to the human system what the sap is to the tree—it buds energy, ambition and confidence that leaf into a prime, healthy, vigorous feeling of new life.

I treat and core all such pelvic diseases as PILES, PISTULA, RUPTURE, VARICOCPLE, HYDROCELE, ELOOD POISON, SKIN DISEASES, SORES, ULCERS, NERVOUS DECLINE, and diseases of the KIDNEYS, BLADDER AND PROSTATE. My method of treating these diseases has proven so successful that I guarantee a permanent cure in every case accepted, and contract by a written instrument to produce permanent and satisfactory results as refund money. IMPORTANT-I will cure you for less money than you can be treated

for by any other specialist in Salt Lake. You may have to come to me sooner of later in order to be properly cured; why not before you have lost your money in doctoring with cheap, unskilled specialists? CURE OR NO CHARGE-ABSOLUTELY NO CHARGE UNLESS SAT-ISFACTION IS GIVEN. Every patient is given a written guarantee to refund every dollar paid for services if they do not receive a complete, life-

long cure and entire satisfaction, and I have made a deposit of \$500.00 in the bank to secure any contract that is not fulfilled. CONSULTATION FREE CONFIDENTIAL AND INVITED. A personal thorough and searching examination is required, though it inconvenient to call, write me a full description of your trouble.
